Old Business

- Treasure's Report – Darren reviewed the report. Current balance is \$4,410.90 and we received a donation of \$175 from Darren Snow (Company Match from Marathon Petroleum) on Nov. 8th. Darren went over the sponsorships we received for this past season which totaled \$3,525. Discussed ways to increase the amount of sponsorship money by potentially using GIPR and having dedicated gameday sponsorships, or dedicated half time score sponsors (for example). Treasurer's report received and filed in paperwork (Treasurer's binder).
- Uniform Turn in – Amy spoke about uniform turn in. Amy said there are still a few uniforms yet to be turned in from each team. Amy will send Coach the spreadsheet she has to track the uniforms and coach will take the action to round up the uniforms.
- Concession Night Jan 5th, 2024 – discussed concession night is 1/5/24 which is a Friday night – Basketball games vs Century.
- Recap of year – Lyle did a great job with pictures and people like that all teams get pictures taken. Military night was good. Discussed that we spent a lot of money on food this year for the teams but that it was much appreciated by teams and coaches.
