Old Business:

**Apparel:** Zanthia reported she picked up apparel Friday and delivered to practice. There were 3 individuals whose apparel was not completed and Universal Athletics will deliver to Legacy Monday. Any concerns or questions regarding apparel, Zanthia requested parents contact Universal Athletics. Zanthia reported she has 15-16 scarves left. She also reported on the sweatshirts that were ordered for the athletes (Black Nike zip up hoodie with Saber shield on chest.) These will be for the girls to keep. Game Day shirts should be in this week also. These items were ordered thru BSN.

**Concessions:** Still looking for new representative; John Baumgartner is willing to mentor this next year. Bismarck Public Schools is running the outdoor concessions at soccer games. John asked if we as a group wanted to run any of the concessions. Discussion that we do not want to be in charge of concessions during our season but would be willing to work some for football or boys soccer potentially. John also reported that the concessions group will be returning the \$200 initial start up money each group needed to provide.

**National Guard Night:** Zanthia reported she has not gotten any response back from the Guard. We will have the uniforms and our community service event that night for Tracy's Sanctuary but may not have the Guard activities or Guard present. This same night (May 5) will be Middle School Night and those athletes will get in free if wearing uniform.

**Game programs and banner:** Zanthia reported game programs (\$79.48 for 125) have been ordered but she has not received proof yet and will ask a couple others to help proof before approving. The Banner (\$115.50 for 96"x36") has been ordered. She also reported the school is providing roster sheets at the games.

**Ball kids:** Ball kids will get in free for games. Kevin Hagen reported he has 7 kids lined up but one can't do until May. DeAnn has ordered the ball kids t-shirts. Boosters previously allotted \$100 for ball kids shirts but DeAnn made motion to increase to \$150 for ball kid shirts; Tanya Guthmiller seconded. Motion approved.

**Away Game Snacks:** Zanthia discussed needing game day snacks for April 25 game versus Minot. Patty Schock offered to arrange snacks for that game. Discussion regarding also providing pizza as the girls get on bus due to lateness of getting home from game. The other away game that needs snacks is May 26 versus Jamestown. DeAnn Hiltz made motion to approve up to \$500 to cover snacks for the year; Sandra Domagala seconded; motion approved.

**End of Year Banquet:** Banquet to be held May 31, 2016. Summerly reported Taco Del Mar estimate was \$3,300 for 300 people when used for music. Meal and dessert provided. Tanya Guthmiller made motion to use Taco Del Mar for banquet with estimate of around 200 persons; Kevin Hagen seconded; motion approved. Discussion of potentially charging \$10 for example to each family to help cover costs but athletes would eat free of charge if no family attending. Details to be worked out yet.
